

PEER REVIEW HISTORY

BMJ Paediatrics Open publishes all reviews undertaken for accepted manuscripts. Reviewers are asked to complete a checklist review form and are provided with free text boxes to elaborate on their assessment. These free text comments are reproduced below.

ARTICLE DETAILS

TITLE (PROVISIONAL)	Management of neonatal jaundice in low and lower middle income countries
AUTHORS	Been, Jasper; Mir, Shahryar; van der Geest, Berthe

VERSION 1 – REVIEW

REVIEWER	Reviewer name: Allegaert karel Institution and Country: ku leuven, Belgium and Erasmus mc Rotterdam, the netherlands Competing interests: I was the handling editor of the original paper that initiated this editorial, and work in the same institute as the authors of the editorial
REVIEW RETURNED	07-Jan-2019

GENERAL COMMENTS	I have carefully read this editorial, and have enjoyed its reading, well balanced paper, and also focus on the add on and limitations of the original paper. I suggest to accept this version
